

## **Match v Berkshire**

2 May 2010 – Maidenhead Golf Club

The Buckinghamshire Girls played their annual fixture against Berkshire at Maidenhead Golf Club. The Bucks team were greeted by assistant professional Vicki Harris, a former Bucks Junior. Vicki gave them some useful information about the parkland course.

The weather stayed dry but there was a biting wind.

12 year old Emma Norris made a very impressive debut for the county, with a great up and down for par to secure victory in her match on the 13th.

Annabel Dimmock and Megan Lance also won their matches on the 13th. Charlotte West came from 2 down to win her match on the 18th. Lucy Matthews won her last hole to halve her match in front of a big crowd of players, parents and county officials. Margaret Maisey (County President) and Anne Bridges (Junior Training Officer) were very encouraging walking the course. The team spirit was very good; as soon as the girls finished their matches they went back onto the course to support their team.

It was delightful to see such young golfers plotting their way around the course with their planners, playing great golf in a good spirit.
