

2nd Team Finals Report - 31st July 2017

A beautifully sunny day at Flackwell Heath GC set the scene for a challenging 2nd Team Finals day. Freshly fortified with delicious bacon butties the girls headed out for the morning foursomes & it became clear that Northamptonshire's practice round the previous day had stood them in very good stead...

With the morning's result of 2½ - ½ to Northants, the afternoon singles matches were going to be critical & the prospect of winning most of the matches seemed a difficult, but not impossible task.

In the absence of Janette Psyllides (who has steered the team triumphantly to the Finals), Denise Goodacre kindly acted as Team Captain & spent the day whizzing around the course encouraging the girls & trying to glean the state of each match.

With 3 wins to Bucks & 1 loss coming before the 16th hole it became a nail-biting wait to see how the remaining 2 matches would end. Fortunately, with a further win & a halved match Bucks just managed to squeeze a victory with a final result of 5 - 4 over Northants.

Congratulations to the winning team of:

Gillian Kinnear
Pamela King
Catherine Smith
Sue Martin
Fran Leach
Kerry Sumner
Amelia Curtis
Lyn Fitzpatrick

& to Janette who's organisational skills (ahead of her departure for Cyprus) made for an extremely well organised day.

Thank you to Teddy Bevan (our President) who acted as starter, to Janet Beal who acted as referee for the day & finally, to Flackwell Heath GC who kindly hosted the event.

Another great result for BUCKS - well done all!
