

Lady Captain Phil's fund-raising 'drive' gives a big lift to Air Ambulance Charity!

The Ladies' Section of Chesham & Ley Hill Golf Club this week presented a very 'sizeable' cheque, for £850, to the Herts Air Ambulance Service.

That total was achieved thanks to the contributions made by the Ladies Section, throughout the year, allied to the dedicated efforts of this year's Ladies' Captain, Mrs. Philomena Lockyer.

Philomena herself raised several hundred pounds by inviting members of the public to attend a 'Tea Party', held in the beautiful garden of her Bovington Green home, last July.

The photo shows Mr. Phil Millard, of the Herts Air Ambulance Service, receiving the cheque from Philomena.

Mr. Millard warmly thanked Philomena and all the ladies of the Club for their most generous support. He stressed just how vital such donations are to the Air Ambulance Service, which is a charity that receives no government funding and which relies on voluntary donations to continue its, often life-saving, daily missions.
