

Bronze Scratch Trophy triumph for Chesham & Ley Hill's Ladies.

Our matches in Division 4 in 2016 were all keenly contested with the winning team not known until after the very final match played in September.

Chesham & Ley Hill GC, Magnolia Park and Oakland Park were all in the running but Chesham & Ley Hill finally emerged victorious with 20 points against Magnolia Park's 18.

Congratulations and thanks are due to all the Ley Hill ladies who took part in the competition this year. Receiving the Bucks County winner's trophy for Division 4 was a 'first' for the Ley Hill ladies and we look forward to taking part in the competition in 2017 in Division 3!

This great success could not have been achieved without the tireless organisational efforts of Liz Davies, who volunteered so much of her time and energy getting the teams together and linking up with the other clubs to secure dates that would suit everyone's diary - never an easy task! Thank you Liz!
