HARLEYFORD GOLF CLUB

EXECUTIVE OFFICERS' REPORTS – SENIORS' CAPTAIN

We have had a good season this year and managed to come 3rd in the League. Berkshire won with Hampshire in second. We have welcomed several new players to the senior team but we are always looking for more.

We held two meetings for the Seniors, one at Ellesborough and the second at Oakland Park. The Oakland Park entries were disappointing and we will need to look at how to improve them for next year.

I'd like to thank all the ladies who played this year for the seniors and for their support.

I have enjoyed being captain over the last two years and look forward to supporting Susanna Mitterer next year when she takes over.
